The District Treasury Officer and his Head Accountant should acquaint themselves with the detailed rules of the Postal Department and this Office Circular No. 1463, dated 23rd March 1880, relative to Imperial Money Orders (published respectively in the *Mysore Gazette*, dated 1st November 1879 and 27th March 1880) as also with the subsidiary rules issued by this Office on the subject.

Circular No. 1486, dated 22nd November 1880.

The following orders of the Government of India are published for the information and guidance of Treasury Officers in Mysore.

Government of India, Department of Finance and Commerce, Accounts and Finance, No. 3555, dated Simla, the 2nd November 1880.

Read the undermentioned papers relating to certain defalcations recently discovered in the Huzur Treasury of the Tinnevely District:—

Letter to the Government of Madras, No. 682, dated 9th February 1880.

Letter from the Government of Madras, No. 759, dated 5rd July 1880, and its enclosures.

Resolution.—The frauds in this case were effected by the substitution, by some of the Treasury subordinates, of copper coin in bags which, when placed under double lock, were supposed to contain silver. This occurred in consequence not of any defect of system, but of a systematic disregard of the rules. As the Government of Madras has already drawn attention to the irregularities which allowed of the perpetration of these frauds in the first instance, and of their non-detection for a long time afterwards, and has also taken measures for enforcing the personal responsibility of the officers concerned for the loss of public money that has taken place, the President in Council will not pass any further orders on this particular case, except to request that the Government of Madras will, after six months, report how far the defalcation has been made good.

2. It seems necessary, however, again to draw attention to the rules for the test of Treasury Balances. In the present case, not one of the Officers, who, during the time that these frauds were committed, filled the Office of Collector or Treasury Officer of Tinnevely, ever verified his Cash Balance; and the explanations given by some of them indicate a misapprehension of the nature of the verification required. This occasions a serious apprehension that the due verification of the Treasury Balances is generally neglected in the Madras Presidency. There is also reason to fear that there is laxity in this important matter in other Provinces.

3. His Honor in Council accordingly desires that the necessity of zealous personal care in this matter, and strict adherence to the prescribed rules, may be impressed upon all Collectors and Treasury Officers. It must be clearly understood that the counting of sealed boxes, or bags, is not a verification of the Cash Balances. An officer verifying and certifying the balance in a Treasury must actually examine the contents of the bags and boxes, and count or weigh such contents.

Ordered, that this Resolution be communicated to all Local Governments and Administrations and to all Accountants General and Deputy Accountants General in independent charge.

Ordered also, that a copy of this Resolution be forwarded to the Comptroller General for information, and for the issue of such subsidiary instructions as he may deem necessary.

SECOND COMMISSION LEVIABLE ON LAPSED IMPERIAL MONEY ORDERS.

To—The Deputy Commissioners, Treasury Department, Circular No. 1487, dated 22nd November 1880.

Second commission leviable on lapsed Imperial Money Orders when such orders are paid is required by para 10 of the Imperial Money Order Rules to be denoted by postage labels which are to be affixed to the back of Money Order, but as the Mysore Government is entitled to a moiety of the 2nd commission, the Comptroller has the honor to request that all such commission may in future be levied in cash instead of postage labels, and credited in the Imperial Money Order accounts, the fact of recovery being certified with red ink on the back of the lapsed order.

The moiety of the 2nd commission which is payable to the Postal Department will be adjusted in the usual course by this Office.

The Amildars of Taluks are requested to observe these instructions.

H. HUDSON,
Comptroller.

REGISTRATION DEPARTMENT.

REGISTRATION IN MYSORE OF DOCUMENTS RELATING TO PROPERTY PARTLY IN MYSORE AND PARTLY IN BRITISH INDIA.

To—The Registering Officers in Mysore, Circular No. 13 of 1880—81, dated 4th November 1880.

Under orders of the Chief Commissioner of Mysore, dated the 22nd October 1880, the Inspector General of Registration has the honor to instruct Registrars and Sub-Registrars in Mysore that they may continue to register documents relating to immovable property situated partly in Mysore and partly in British Territory; but when delivering them after registry, the Registering Officer must warn the presenter in writing that he is instructed that the registration so made is valid only as regards the property in Mysore and is not valid as regards that in British India.

The fact of the warning being given should be noted in the register with the Registering Officer's signature.

No copy or memorandum should be issued under Section 65 or 66 of the Registration Act III of 1877.

H. HUDSON,
Inspector General of Registration.
